Our Mission

disciple
BE ONE. MAKE ONE.

Here at Fresno First we exist to glorify God by making Jesus known in Fresno and the world. We believe this is best accomplished by making disciple that **Grow** by changing and transforming to become like Jesus. **Love** by risking in relationships and taking chances. **Give** by investing in the importance of God's work. **Serve** by sacrificing our time and talents for others and **Go** by making more disciples. How we do this is we Gather to celebrate, Grow in community and Go to create disciples: because to be one IS to make one!

Quote for the week:
